v.	)	CASE NO. 2000-090

AMERICA'S TELE-NETWORK	)

DEFENDANT	)	

O R D E R

On January 13, 2000, John M. Lawlor ("Complainant") filed a formal complaint alleging that America's Tele-Network ("ATN") had induced him to switch his long-distance carrier by offering Complainant a check for \$100. As of the time Complainant filed his complaint, ATN had not provided the check to Complainant.

On March 13, 2000, the Commission issued an Order directing ATN to satisfy or answer the complaint within 10 days of receipt of the Order. ATN's response was due to the Commission no later than March 26, 2000. As of June 26, 2000, ATN has neither satisfied nor answered the complaint. Accordingly, it appears that ATN has violated the Commission's Order of March 13, 2000 and is therefore subject to the penalties provided by KRS 278.990.

Accordingly, IT IS HEREBY ORDERED that:

1. Within 10 days of the date of this Order, ATN shall provide the relief Complainant requests.

2. Within 10 days of the date of this Order, ATN shall file a response showing cause why it should not be subject to penalties pursuant to KRS 278.990 for its failure to comply with the Commission's March 13, 2000 Order.

3. If ATN desires a hearing or an informal conference in this matter, it shall file a motion within 10 days of the date of this Order to request such a hearing or informal conference.

Done at Frankfort, Kentucky, this 30<sup>th</sup> day of June, 2000.
